

PROCEDIMENTO PARA INSTALAR VPN

ACESSO O SEQUINTE SITE:

https://supportcenter.checkpoint.com/supportcenter/portal/role/supportcenterUser/page/default.psml/media-type/html?action=portlets.DCFileAction&eventSubmit_doGetdcdetails=&fileid=112819

APOS O ACESSO BAIXAR O ARQUIVO DE INSTALAÇÃO

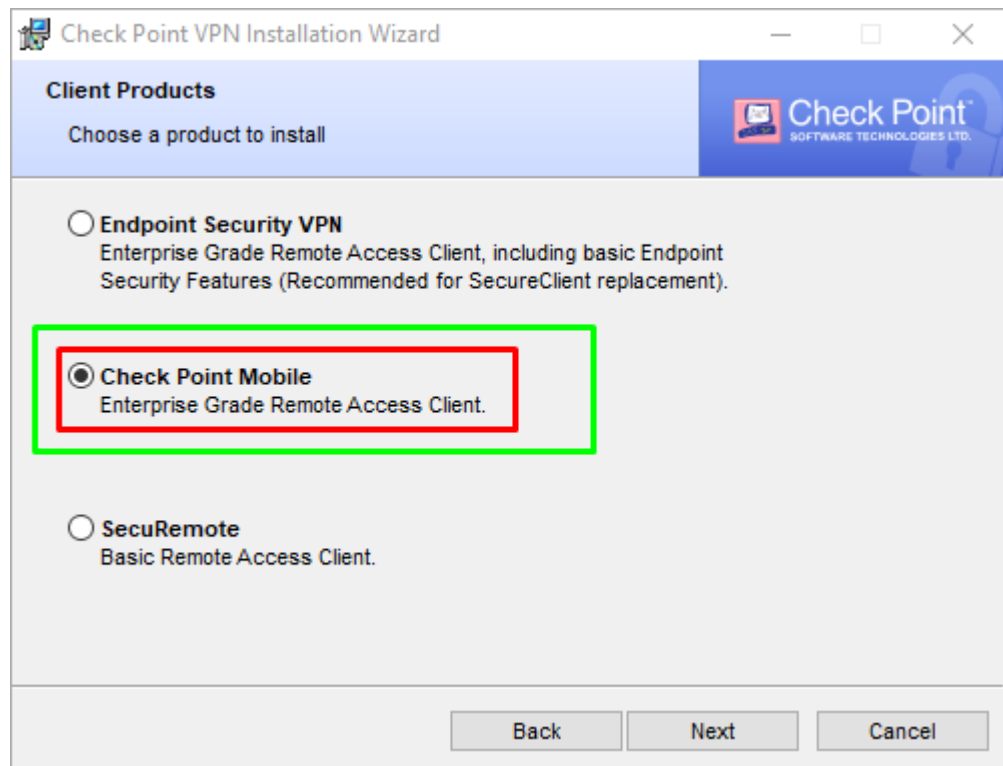

EXECUTAR O ARQUIVO PARA INICIAR A INSTALAÇÃO

EXECUTANDO O ARQUIVO BASTA SEGUIR OS PASSOS → **Next**

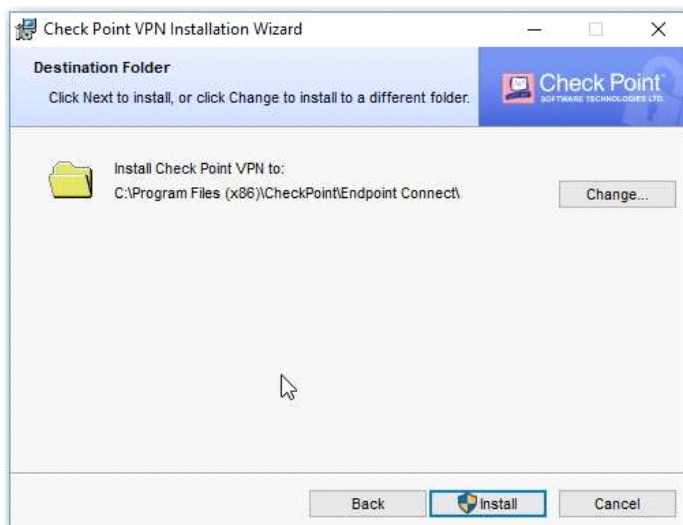

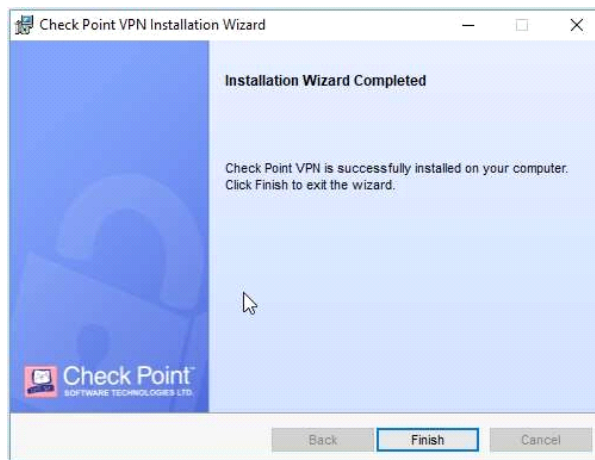

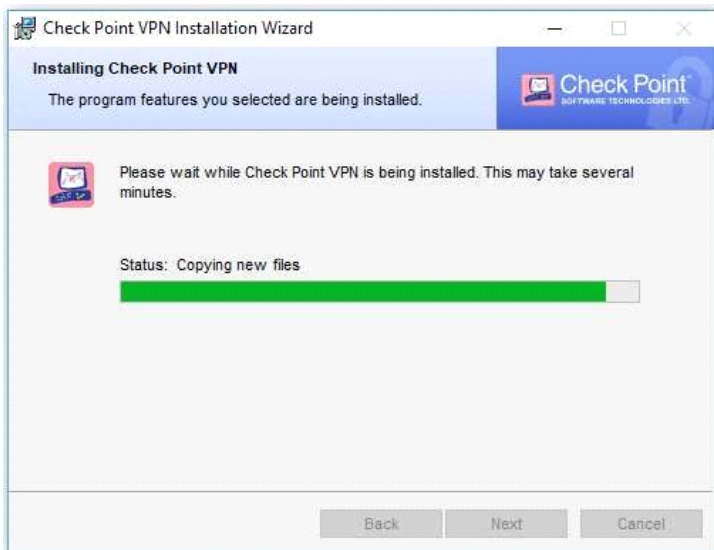

Após a finalização do download do aplicativo no seu computador, execute a instalação e siga orientações conforme imagens abaixo:

Clicar na opção marcada

CLICAR EM **INSTALL**

Após a instalação conforme explicado nas imagens acima, já podemos iniciar as configurações para acesso remoto.

Observe que no canto inferior a direita da barra de ferramentas da tela do seu computador, irá aparecer o ícone do Client VPN, conforme imagem abaixo:

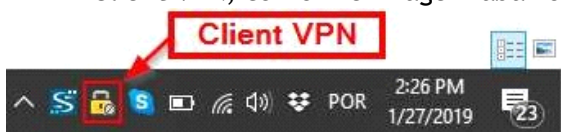

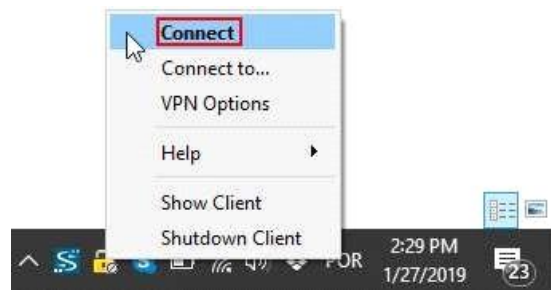

Figura 7 - Ícone Client VPN

Para realização das configurações necessário, siga conforme ilustrado nas imagens abaixo:

Figura 8 - Connect

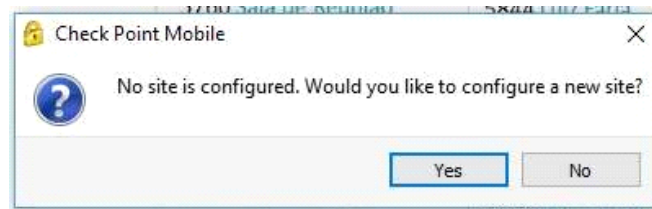

Figura 9 - Criação de um novo site

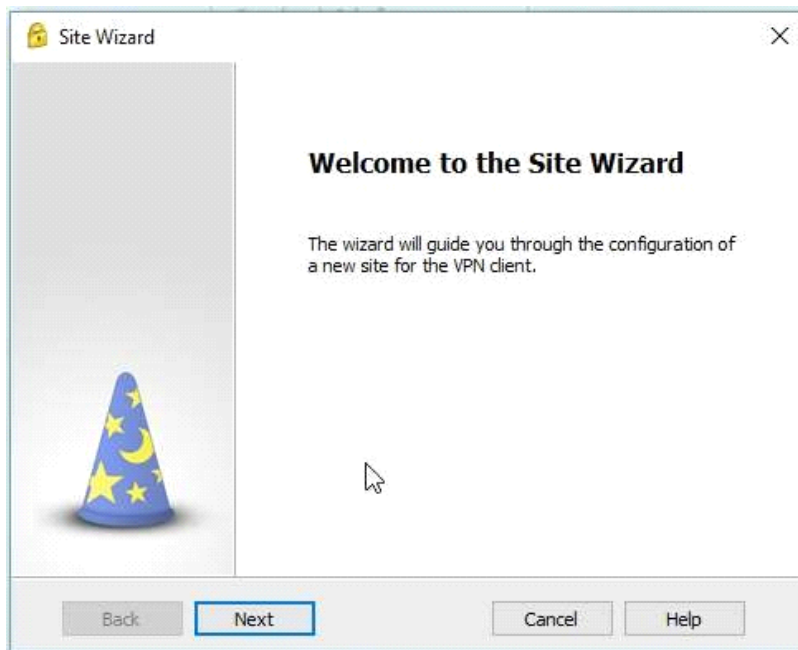

Figura 10 - Início do Wizard

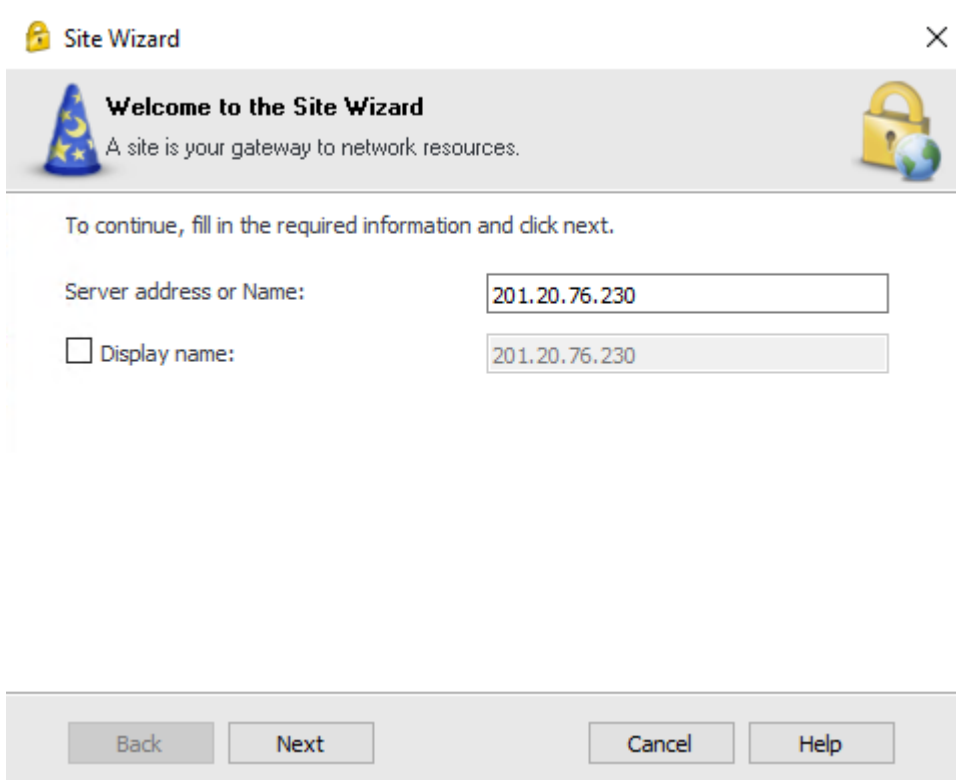

No próximo passo iremos nos conectar ao site da VPN. Para o nosso cenário temos as seguintes opções de conexão, conforme abaixo:

Conexão 1

- Server Address or Name: 201.20.76.230
- Display name: MOB

Conexão 2

- Server Address or Name: 187.18.197.93
- Display name: MULTIPLAY

The screenshot shows the 'Site Wizard' window in Windows. The title bar says 'Site Wizard' with a yellow padlock icon on the left and a close button on the right. The main area has a grey header with a blue wizard hat icon, the text 'Welcome to the Site Wizard', and a subtitle 'A site is your gateway to network resources.' with a yellow padlock icon. Below the header, it says 'To continue, fill in the required information and click next.' There are two input fields: 'Server address or Name:' with the value '201.20.76.230' and 'Display name:' with the value '201.20.76.230'. The 'Display name' field has a small square icon to its left. At the bottom, there are four buttons: 'Back', 'Next', 'Cancel', and 'Help'.

The image shows a screenshot of the TrGUI application window for Check Point Mobile. The window has a title bar with the TrGUI icon and standard Windows window controls. The main area has a blue header with the 'Check Point Mobile' logo and the Check Point Software Technologies Ltd. logo. Below the header, there is a 'Site:' dropdown menu showing the IP address '201.20.76.230'. Under the 'Authentication' section, there is a prompt 'Please enter your credentials:' followed by 'Username:' and 'Password:' labels, each with an adjacent text input field. To the right of the input fields is a graphic of a yellow padlock with a globe as its keyhole. At the bottom of the main area are three buttons: 'Connect', 'Cancel', and 'Help'. A status bar at the very bottom indicates 'Selected Login Option: Standard' and includes a link to 'Change Login Option Settings'.
